Lacy Hat

RibhusLugh
Crochet to Enhance Your World

A comfortable beanie made with lacy stitches to give it something different to ordinary beanie hats. Make in any colour you like, why not make more than one and have one to match every outfit. Fits most head sizes, for a larger head or looser fit use a chunkier yarn and a larger hook.

It is worked in the round.

This pattern is written only.

I used 4 seasons Pure Wool 8ply, but any 8ply yarn will work with this pattern.
