Crochet to Enhance Your World

Elongated V Market Bag

A crochet pattern for a market bag made with an elongated V stitch. It has lots of room to carry all your purchases, and can carry heavy items and it does stretch. Keep it in your car to always have one available, as it is a great way to reduce the amount of plastic or paper bags that are gathered when shopping.

This pattern is written only.

Any fine cotton yarn will work with this pattern.
