

# Le Tour Bag

A cute little bag that will be perfect for when a bigger bag is just not suitable.

The main is worked in a mesh with a crochet chain woven through to give a cool textured effect.

This pattern is worked in the round.

This pattern is written only.

I used 4 seasons Pure Wool 8ply, but any 8ply yarn will work with this pattern.

## Finishing

Fasten off and weave in ends

## Weaving Chain

Make a chain about 3.5 m long in a contrasting colour or texture. Leave a long tail at both ends.

## Weaving

Secure the beginning tail at the join point of row 4. Weave the chain length through the spaces of the mesh in a spiral fashion. Once this is done secure the other end of the chain to row 15.

If your chain length is too long, undo it to the correct length before securing to row 15.

## Finishing

Fasten off and weave in ends.
