

Franklin Market Bag

I like crocheting bags far too much and now have far too many. Luckily it means I am never short of a bag when I have some homegrown produce to give away.

This market bag will have everyone asking you where you got it from and the handy drawstring handle lets you hold it how you are comfortable.

It will be great in any colour combination to suit your mood.

Who am I:

This pattern was designed by Charlie van de Graaf and work under the name RibhusLugh.

You can find me on:

instagram @ribhuslughdiscovercrochet

Difficulty and Terminology:

This is an easy pattern and uses US terminology.
